Dear Mr. Girton:

On behalf of Pacific Gas and Electric Company ("PG&E"), and after consulting with Angela Hiyama, I am pleased to inform you that the \$10,000 charitable contribution has been sent via electronic funds transfer to County of Amador on 9/10/2024.

At PG&E, we are committed to working together with the communities we serve to build a better California. By fostering strong partnerships with local non-profits and schools through our Better Together Giving Program, we're committed to preserving and building diversity, environmental stewardship, and opportunity in our communities.

This donation is to be used for the License Plate Recognition Camera (LPR) Project. As a charitable contributor to your organization, PG&E is pleased to receive appropriate recognition for this donation, including those examples outlined in your donation application.

Please ensure that all recognition provided as a result of this donation is credited to Pacific Gas and Electric Company, as written in this sentence.

This letter confirms that County of Amador certified in the PG&E donation application that it is in compliance with all local, state, and federal laws, as well as with several PG&E policies. Please ensure that appropriate staff members and officers of County of Amador read Attachment A to this letter, which describes those requirements. Should any change in circumstances pertaining to any of the requirements listed above occur at any time, County of Amador must notify Pacific Gas and Electric Company immediately.

Once this donation has been received, please follow the detailed instructions in Attachment B to complete and submit your tax acknowledgment through our online system. The email address for the person who completed the online charitable contribution application for your organization is grants@amadorgov.org and is the person that has the log-in information to complete this request. This is an important IRS requirement that applies to this donation. Please complete this request within two weeks after receiving this contribution.

At PG&E, we take great pride in the community partnerships we have created and are grateful for the opportunity to support organizations committed to building a better California.
